

VOLUNTEER COMMITTEE OF PARENTS OF DEERFIELD BOYS

balance will have to come from those of us who can give less. If everybody who has not given at all will contribute, and if those who have given will find it in their hearts to make one more effort between now and the end of the year, I believe we can close up this campaign. And Frank's dream will be realized.

I know you will be thrilled by this great good news. Frank says that if we get these two buildings it will give Deerfield all the plant it will need for a long long time to come.

Please, please let us hear from you.

Sincerely yours,

Bruce Barton
